

## **UniExANM.**

### Technical data:

- ATEX approval
- Sliding tube made of stainless steel
- Huge choice of models and designs
- Measurement principle reed chain with 2,5mm; 5mm and 10mm resolution
- Signal output potentiometer
- Temperature sensor available on request

Our devices of the UNIEX SS series may only be operated in connection with an Ex barrier / switch amplifier.

### Application:

- Use of devices in almost all kind of fluids
- Level measurement in shipbuilding, off-shore, machinery & plant engineering, hydraulic power packs, cooling systems, power plants and other power systems.
